ORDINANCE AMENDING CHAPTER 24, SECTION 24.6 OF THE SAN FRANCISCO ADMINISTRATIVE CODE, BY ADDING CERTAIN CATEGORIES TO BE CONSIDERED IN THE NATURE OF CIVIL RIGHTS IN REDEVELOPMENT PROJECTS WITHOUT DISCRIMINATION.

Be it ordained by the Board of Supervisors of the City and County of San Francisco as follows:

Section 24.6, Chapter 24 of the San Francisco Administrative Code is hereby amended by adding certain categories to be considered without discrimination therein to read as follows:

Sec. 24.6 Standards as to Exercise of Rights in Redevelopment Projects Without Discrimination.

(1) The Board of Supervisors declares as a matter of general policy that the right to buy, lease, sublease, use or occupy land in redevelopment projects without discrimination or segregation based upon race, color, creed, national origin, ancestry, age, sex, sexual orientation or disability should properly be considered in the nature of a civil right and that appropriate steps should be taken to safeguard and protect that right.

(2) The board recommends that every tentative plan submitted by the planning commission and every redevelopment plan submitted by the redevelopment agency or any person, firm, association or corporation or any public or private agency qualified to do so for approval of the Board of Supervisors pursuant to the community redevelopment act contain, in addition to the other requirements set forth in such act, adequate provisions precluding direct or indirect discrimination against or segregation of any person or group of persons on account of race, color, creed, national origin, ancestry, age, sex, sexual orientation or disability, in connection with the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of land or of any interest therein within the redevelopment projects which is acquired or to be acquired by the redevelopment agency.

(3) The board further recommends that each tentative plan and each redevelopment plan submitted to the Board of Supervisors for approval shall require that express provisions be included in deeds, leases and contracts entered into by the redevelppment agency in substantially the following form:

(a) In deeds. "The grantee herein convenants by and for her/himself, her/his heirs, executors, administrators and assigns, and this conveyance is made and accepted upon and subject to the following conditions:

"(1) That there shall be no discrimination against or segregation of any person or group of persons on account of race, creed, color, national origin, ancestry, age, sex, sexual orientation or disability in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the premises herein conveyed, nor shall the grantee her/himself or any person claiming under or through her/him establish or permit any such practrice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees or vendees in the premises herein conveyed.

"(2) The foregoing covenant shall run with the land and shall bind the grantee, her/his heirs, executors, administrators and assigns and all persons claiming under or through them.

"(3) In the event of any breach of the foregoing covenant by any party bound thereby, it shall be the duty of the redevelopment agency to endeavor immediately to remedy such breach by conference, conciliation and persuasion. In case of failure so to remdy such breach, or in advance thereof, if in the judgment of the redevelopment agency circumstances so warrant, the breach shall be enjoined or abated by appropriate proceedings brought by the redevelopment agency."

(b) In leases. "The lessee herein covenants by and for her/himself, her/his heirs, executors, administrators and assigns, and this lease is made and accepted upon and subject to the following conditions:

"(1) That there shall be no discrimination against or segregation of any person or group of persons on account of race, creed, color, national origin, ancestry, age, sex, sexual orientation or disability in the lease, sublease, transfer, use, occupancy, tenure or enjoyment of the premises herein leased, not shall the lessee her/himself or any person claiming under or through her/him establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees or vendees in the premises herein leased.

"(2) The foregoing covenant shall bind the lessee, her/his heirs, executors, administrators and assigns and all persons claiming under or through them.

"(3) Any breach of the foregoing covenant by any party bound thereby may be enjoined or abated by appropriate proceedings brought by the immediate lessor of the person

committing such breach, or, in the event of her/his failure to act, it shall be the duty of the redevelopment agency, as agent and on behalf of the immediate lessor, and the lessor does irrevocably appoint the redevelopment agency as his agent for this purpose, to endeavor immediately to remedy the breach by conference, conciliation and persuasion, or, in the event of failure so to remedy such breach, then the breach shall be enjoined or abated by appropriate proceedings brought by the redevelopment agency."

(c) In contracts entered into by the redevelopment agency relating to the sale, transfer or lease of land or of any interest therein acquired by such agency within any redevelopment area or project, the foregoing provisions, in substantially the form set forth, shall be included, and the contracts shall further provide that the foregoing provisions shall be binding upon and shall obligate the contracting party or parties and any subcontracting party or parties or other transferee under such instruments.

(4) The board does further recommend that every tentative plan and every redevelopment plan which shall be submitted to the board of supervisors for approval shall declare it to be the duty of the redevelopment agency to exercise the rights, powers and privileges in respect to the prevention of discrimination and segregation granted by the tentative plan and redevelopment plan and by the clauses prohibiting discrimination and segregation required by such tentative plan and redevelopment plan to be inserted in deeds, leases and contracts relating to any interest in land which shall have been acquired by the redevelopment agency.

(5) This section must not be construed to preclude in any way the full and fair consideration according to law of any plans submitted in conformity with the community redevelopment act. (Reso. No. 8660 (1939).)

(Utility Users' Tax)

AMENDING PART III, ARTICLE 10 OF THE MUNICIPAL CODE (ORDINANCE NO. 287-70 "UTILITY USERS TAX") BY AMENDING SECTIONS 703, 704, 705, 706 AND 706.1 THEREOF TO REPEAL, SUBJECT TO ANNUAL REVIEW, THE TAX FOR RESIDENTIAL USERS EFFECTIVE JANUARY 1, 1983 AND SECTION 707 TO REPEAL TAX EXEMPTION FOR "LIFELINE" RESIDENTIAL USERS.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part III, Article 10 of the Municipal Code (Ordinance No. 287-70, "Utility Users Tax") is hereby amended by amending Section 703, 704, 705, 706, 706.1 and 707 thereof to read as follows:

SEC. 703. Telephone Users Tax.

(a) There is hereby imposed a tax upon every person, other than a telephone corporation, using intrastate telephone communication services in the City and County. The tax imposed by this section shall be at the rate of five percent (5%) of the charges made for such services, including minimum charges for services; provided, however, that for the periods set forth below, the tax imposed by this section shall be at the rate set forth below of the charges made for such services, including minimum charges for services:

Tax Period Beginning with Bills Rendered On and After	Rate of Tax
January 1, 1977 through June 30, 1977	Six Percent (6%)
July 1, 1977 and thereafter	Five and One-Half Percent (5-1/2%)

Provided, however, that on bills rendered on and after January 1, 1983, the tax shall not be applicable to charges made for residential telephone service, as defined in section 36T of Pacific Telephone's tariff schedule. Provided further, however, that for bills rendered on and after January 1, 1984 and each subsequent year, the utility users tax shall continue to be inapplicable to charges made for residential telephone service, as defined in section 36T of Pacific Telephone's tariff schedule only if the Board of Supervisors, no later than the September 15, immediately preceding the ensuing January 1, by resolution so provides. The tax imposed by this section shall be paid by the person paying for such services.

(b) As used in this section, the term "charges" shall not include charges for services paid for by inserting coins in coin-operated telephones except that where such coin-operated telephone service is furnished for a guaranteed amount, the amounts paid under such guarantee plus any fixed monthly or other periodic charge shall be included in the base for computing the amount of tax due; nor shall the term "charges" include charges for any type of service or equipment furnished by a service supplier subject to Public Utility regulation during any period in which the same or similar services or equipment are also available for sale or lease from persons other than a service supplier subject to Public Utility regulation; nor shall the words "telephone communication services" include land mobile services or maritime mobile services as defined in Section 3.1 of Title 47 of the Code of Federal Regulations, as said section existed on January 1, 1970. The term "telephone communication services" refers to that service which provides access to a

telephone system and the privilege of telephonic quality communications with substantially all persons having telephone stations which are part of such telephone system. The Telephone Users Tax is intended to, and does, apply to all charges billed to a telephone having a situs in the City and County, irrespective of whether a particular telephone call originates and/or terminates within the City and County.

(c) The tax imposed by this section shall be collected from the service user by the person providing the intrastate telephone communication services. The amount of the tax collected in one (1) month shall be remitted to the Tax Collector on or before the last day of the following month.

(d) Notwithstanding the provisions of subsection (a), the tax imposed under this section shall not be imposed upon any person for using intrastate telephone communication services to the extent that the amounts paid for such services are exempt from or not subject to the tax imposed under Section 4251 of Title 26 of the United States Code, as such section existed on the effective date hereof.

SEC. 701. Electricity Users Tax.

(a) There is hereby imposed a tax upon every person, other than an electrical corporation or a gas corporation, using electrical energy in the City and County. The tax imposed by this section shall be at the rate of five percent (5%) of the charges made for such energy and shall be paid by the person paying for such energy. "Charges" as used in this section shall include charges made for (1) metered energy, and (2) minimum charges for service, including customer charges, service charges, demand charges, standby charges and annual and monthly charges. Provided, however, that after January 1, 1983, the tax shall not

be applicable to charges for electricity billed to residential customers only. Provided further, however, that after January 1, 1984 and each subsequent year, the utility users tax shall continue to be inapplicable to charges for electricity billed to residential customers only if the Board of Supervisors, no later than the September 15, immediately preceding the ensuing January 1, by resolution so provides.

(b) As used in this section the term "using electrical energy" shall not be construed to mean the storage of such energy by a person in a battery owned or possessed by him for use in an automobile or other machinery or device apart from the premises upon which the energy was received, provided however, that the term shall include the receiving of such energy for the purpose of using it in the charging of batteries.

(c) As used in this section, the words "using electrical energy" shall not be construed to mean the receiving of such energy by an electrical corporation or a governmental agency at a point within the City and County for resale, or electrical energy used by a water corporation to pump water.

(d) As used in this section, the words "residential customers" shall mean and include every person who is charged for electricity based upon residential and/or domestic rate schedules filed with the California Public Utilities Commission by an electrical corporation.

(e) The tax imposed by this section shall be collected from the service user by the person supplying such electrical energy. The amount of tax collected in one month shall be remitted to the Tax Collector on or before the last day of the following month.

SEC. 705. Gas Users Tax.

(a) There is hereby imposed a tax upon every person, other than a gas corporation or an electrical corporation using gas which is delivered through mains or pipes in the City and County by a gas corporation. The tax imposed by this section shall be at the rate of five percent (5%) of the charges made for such gas, including minimum charges for services, and shall be paid by the person paying for such gas. Provided, however, that after January 1, 1983, the tax shall not be applicable to charges for gas billed to residential customers only. Provided further, however, that after January 1, 1984 and each subsequent year, the utility users tax shall continue to be inapplicable to charges for gas billed to residential customers only if the Board of Supervisors, no later than the September 15, immediately preceding the ensuing January 1, by resolution so provides.

(b) As used in this section, the word "charges" shall not include charges made for gas used in the generation of electrical energy by a public utility or a governmental agency.

(c) As used in this section, the words "using gas" shall not be construed to mean the receiving of such gas by a gas corporation or governmental agency at a point within the City and County for resale and delivery through pipes and mains or gas used by a water corporation to pump water.

(d) As used in this section, the words "residential customers" shall mean and include every person who is charged for gas based upon residential and/or domestic rate schedules filed with the California Public Utilities Commission by a gas corporation.

(e) The tax imposed in this section shall be collected from the service user by the person selling the gas. The amount collected in one month shall be remitted to the Tax Collector on or before the last day of the following month.

SEC. 706. Water Users Tax.

(a) There is hereby imposed a tax upon every person, other than a water corporation, using water which is delivered through mains or pipes in the City and County. The tax imposed by this section shall be at the rate of five percent (5%) of the charges made for such water including minimum charges for services, and shall be paid by the person paying for such water. Provided, however, that after January 1, 1983, the tax shall not be applicable to charges for water billed to residential customers only. Provided further, however, that after January 1, 1984 and each subsequent year, the utility users tax shall continue to be inapplicable to charges for water billed to residential customers only if the Board of Supervisors, no later than the September 15, immediately preceding the ensuing January 1, by resolution so provides.

(b) The tax imposed by this section shall be collected from the service user by the City and County or other person supplying the water. The amount collected in one month shall be remitted to the Tax Collector on or before the last day of the following month.

SEC 706.1. Steam Users Tax.

(a) There is hereby imposed a tax upon every person, other than a steam corporation, using steam heat which is delivered through mains or pipes in the City and County. The tax imposed by this section shall be at the rate of five percent (5%) of the charges made for such steam heat, including minimum charges for services, and shall be paid by the person paying for such steam heat. Provided, however, that after January 1, 1983,

the tax shall not be applicable to users of steam for residential purposes. Provided further, however, that after January 1, 1984 and each subsequent year, the utility users tax shall continue to be inapplicable to users of steam for residential purposes only if the Board of Supervisors, no later than the September 15, immediately preceding the ensuing January 1, by resolution so provides.

(b) The tax imposed by this section shall be collected from the service user by the City and County or other person supplying the steam heat. The amount collected in one month shall be remitted to the Tax Collector on or before the last day of the following month.

AMENDING PART II, CHAPTER II OF THE SAN FRANCISCO MUNICIPAL CODE (CITY PLANNING CODE) BY AMENDING ARTICLE 1.2, SECTION 127 TO ALLOW FOR TRANSFER OF UNUSED DEVELOPMENT RIGHTS FROM CITY LANDMARKS IN THE C-3-0 DISTRICT ACROSS A STREET TO AN ADJACENT LOT.

NOTE: Additions or substitutions are underlined; deletions are enclosed in [brackets].

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part II, Chapter II of the San Francisco Municipal Code (City Planning Code) is hereby amended by Amending Article 1.2, Section 127 to read as follows:

SEC. 127. TRANSFER OF PERMITTED BASIC GROSS FLOOR AREA.

(a) WHEN ALLOWED. The maximum permitted gross floor area for any building or development on a lot in the C-3-0 district, to the exclusion of all other districts, may be increased by transfer to such lot of basic gross floor area that is permitted under Section 124 of this Code but unbuilt upon an adjacent lot; provided, that the aggregate of all such transfers from any one adjacent lot to all other lots shall be no more than one-half the basic gross floor area that would be permitted on said adjacent lot. Floor area premiums under Section 125 or 126, development bonuses under Section 126, and other floor area transfers under this section, shall not be transferable. For the purposes of this section, an adjacent lot is one which either abuts for a distance not less than 25 feet along a side or rear lot line of the lot to which the basic gross floor area transfer is made (hereinafter referred to as the transferee lot), or would so abut for such distance if not separated solely by an alley.

(b) LANDMARKS. The provisions of Subsection (a) above limiting transferee lots to those located in the C-3-0 district, and limiting the aggregate of all transfers from an adjacent lot to one-half its permitted gross floor area, shall not apply where the adjacent lot is occupied by a historical, architectural or aesthetic landmark that has been so designated by the Board of Supervisors pursuant to Article 10 of this Code[.]; and, notwithstanding any provisions of Subsection (a) above to the contrary, in the C-3-0 district any lot containing such a landmark shall be deemed to be adjacent to any lot which abuts for a distance not less than 25 feet along a side or rear lot line of the lot containing such landmark, or would so abut for such distance if not separated solely by a street or an alley.

(c) REQUIRED DOCUMENTATION. No transfer of permitted basic gross floor area shall be effective under this Code unless an instrument, legally sufficient in both form and content to effect such a transfer, has been entered into among all the parties concerned, except that if both the adjacent lot and the transferee lot are in one ownership no such instrument shall be necessary. An attested copy of the said instrument of transfer shall be filed with the Department of City Planning prior to approval by said Department of any building permit application affected by such transfer. In addition, no transfer of permitted basic gross floor area shall be effective under this Code in any case unless a further document in a form approved by the City Attorney has been executed by the parties concerned, and by the Zoning Administrator, and recorded in the office of the County Recorder, serving as a notice of the restrictions under this Code applying both to the adjacent lot and to the transferee lot by virtue of this arrangement for transfer of permitted basic gross floor area. This notice of restrictions shall

include a specific reference to the aforesaid instrument of transfer, except where both the adjacent lot and the transferee lot are in the same ownership.

(d) CONTENTS OF REQUIRED DOCUMENTS. Both the instrument of transfer and the notice of restrictions shall specify (1) the amount of permitted basic gross floor area to be transferred, the total amount permitted on the transferee lot by virtue of the transfer, and the remaining amount permitted on the adjacent lot; (2) the duration of the transfer, which shall be specified to be not less than the actual lifetime of any building on the transferee lot whose construction is made possible, in whole or in part, by the transfer; (3) the effects of any subsequent changes in the basic floor area ratio limit under this Code upon the permitted basic gross floor area for both lots; and (4) the effects of any subsequent changes in the size of either lot, whether by virtue of conveyance, condemnation or otherwise, upon the permitted basic gross floor area for both lots.

(e) LIMITATIONS. No transfer of permitted gross floor area shall serve to increase the total gross floor area permitted under this Code on the adjacent lot and the transferee lot taken together, either presently or prospectively. No building permit application shall be approved by the Department of City Planning at any time, nor shall any building permit be issued by any City department at any time, if the result of such approval or issuance would be to increase the total permitted gross floor area of both such lots taken together above such total as calculated on the basis of the floor area ratio limits prevailing at that time for such lots.

(f) COMPLETED TRANSFERS. Any transfer of permitted gross floor area completed prior to the effective date of this section shall be effective notwithstanding the location of the transferee

lot outside the C-3-O district and notwithstanding the aggregate transfer of more than one-half the gross floor area permitted on the adjacent lot under the basic floor area ratio limit, provided all other conditions of this section have been met.

AMENDING ARTICLE II, PART III, SAN FRANCISCO MUNICIPAL CODE, BY AMENDING SECTION 807 THEREOF, PROVIDING FOR AN EXEMPTION OF EIGHT DOLLARS AND NINETY-NINE CENTS ($8.99) OR LESS TO THE STADIUM OPERATOR ADMISSION TAX; PROVIDING FOR EXPIRATION DATE OF DECEMBER 31, 1983.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

The Board of Supervisors finds:

That the purpose of the Stadium ADmission Tax is to help defray costs incurred by expansion of Candlestick Park in 1970 to accommodate the San Francisco Forty Niners.

That the cost of that expansion should not be borne by the San Francisco Giants, nor their patrons.

That so long as the debt service on Candlestick Park bonds can be retired with non-ad valorem revenues, the San Francisco Giants and certain other users of the facility should be exempt from payment of the Admission Tax.

Section 2. Article II, Part III, San Francisco Municipal Code, is hereby amended by amending Section 807 thereof, to read as follows:

SEC. 807. Exemptions. No tax shall be imposed (1) on the recipts from admission tickets sold at Eight Dollars and Ninety-nine Cents ($8.99) or less; (2) when a stadium is used by athletic teams sponsored by the San Francisco Unified School District or by the San Francisco Community College District; (3) when a stadium is used by nonprofit elementary or secondary schools, attendance at which satisfies the requirements of the compulsory education laws of the State of California; (4) when a stadium is used by an operator or sponsor of charity athletic contests or other special benefit entertainment events no part of the net earnings of which inures to the benefit of any private shareholder or individual and the assets of said operating or sponsoring organization are irrevocably dedicated to tax exempt purposes; (5) any recreation field operated by the Recreation and Park Commission where athletic contsts, exhibitions or special events may be presented and which may contain a seating arrangement adjacent to one portion of said field containing not more than 5,000 permanent seats.

The exemption set forth in subsection (1) hereinabove shall be applicable to admission tickets sold on the effective date of this ordinance and through December 31, 1983; thereafter, no tax shall be imposed on the receipts from admission tickets sold at two dollars and one cent ($2.01) or less.

(Medi-Cal Contract)

ORDINANCE APPROVING THE MEDI-CAL CONTRACT BETWEEN THE STATE OF CALIFORNIA AND THE CITY AND COUNTY OF SAN FRANCISCO THROUGH THE DEPARTMENT OF PUBLIC HEALTH, AN EMERGENCY MEASURE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Pursuant to Charter Section 3.502, the Board of Supervisors does hereby approve that contract dated December 14, 1982 between the California State Department of Health Services and the City and County of San Francisco, doing business as San Francisco General Hospital Medical Center, providing for the inpatient care and treatment of Medi-Cal recipients at San Francisco General Hospital. This ordinance shall become effective immediately upon passage.

Section 2. This ordinance is adopted as an emergency ordinance pursuant to Charter Section 2.301. The facts constituting such emergency are as follows:

1. Pursuant to Welfare and Institutions Code Sections 14000, et seq. and Title 22 of the California Administrative Code, the State of California's Department of Health Services and the City and County of San Francisco through the Department of Public Health have negotiated a contract for inpatient services to be provided by the City to Medi-Cal beneficiaries at San Francisco General Hospital Medical Center.

2. The State Medi-Cal negotiator has asked the Department of Public Health to obtain all necessary City approvals of its Medi-Cal contract within five days of the final negotiating session with the State. That session was concluded on December 14, 1982.

3. In the event that the Department of Public Health does not obtain all necessary City approvals of the contract within five days of the final negotiating session, the State will terminate on January 1, 1983 all inpatient Medi-Cal funding for the City and County pursuant to Welfare and Institutions Code §§14000, et seq. Such a termination of funding would interrupt the operations of the Department of Public Health within the meaning of Charter Section 2.301, in that the reimbursement for the provision of inpatient medical care by the City to Medi-Cal patients at San Francisco General Hospital would be terminated.
